

Visitor Page Resources

Home

On the upper left of the Visitor Page there is a Home button. Use it to return to the Visitor Pages Home Page.

General Forms

Daily Journal

30 days of daily notes written by staff for each individual in care. There is one journal note per resident per day prepared, each with contributions from the AON (awake overnight) staff, Day staff and Evening staff. Click [View](#) to see the full note.

Medications List

An up to date list of current medications, current PRNs and discontinued medications for your individual in our care.

Residential Care Plan

A list of Plans of Care that have been prepared for this individual. Click on Generate Report for the Plan you wish to read.

Daily Support Notes

If your child has a one-on-one support person, his or her daily notes will be available here otherwise, this page will be empty. Shows notes for the past 30 days.

Day Program Notes

If your child is enrolled in one of our day programs, notes from that program will be available here, otherwise this page will be empty.

Medical Visits & Contacts

An up to date list of all medical contacts for your individual in our care. These will be reports of medical house calls, visits to doctors or dentists in their offices, hospital visits, medical lab visits and so on.

Family Contacts

A brief report of family contacts: telephone or Skype calls, home visits, overnights and residence visits by family members.

Safety Plan

Our current Safety Plan for this individual. Each individual has one. These plans are reviewed and updated regularly and all staff are required to be familiar with them.

Reports

Generate MAR

Generates a one month Medication Administration Record for this individual. Could be used to record meds administrations during home visits. Each section has spaces for new medications to be added before they have been entered into the system.

General Forms

Visitor Communications

A form that can be used to communicate with your individual's Residence Supervisor if you have agreed to communicate this way.
